Road easements are non-exclusive, and are to be used in common with the land owners in this subdivision and the developer, its successors and assigns, for road purposes.
 - 2) The road easements platted herein are to remain private roads for the sole use and benefit of CAVE WELLS RANCH, PHASE 2 subdivision property owners and Developer, its successors and assigns, for the purpose of ingress and egress, and for access to utility easements referenced herein. These private roads HAVE NOT BEEN AND WILL NEVER BE dedicated to public use—the County is not responsible for maintenance of said roads.
 - 3) Said road easements are hereby dedicated to utility easements and a ten (10.00) foot wide strip of land for utility purposes, is reserved along and parallel to the rear and side property lines of all tracts or lots within the subdivision for the benefit of the owners of said tracts or lots, their heirs, successors, personal representatives and assigns, for aet, and which easements on every tract or lot may be used for utility service purposes to benefit any or all other tracts or lots and shall include the right of ingress and egress for construction, installation and maintenance, without limitation of all types of utility services and during periods of emergency or of repair, maintenance or construction, the additional width of easement beyond the stated number above is temporarily granted as may be reasonably necessary to complete repairs, maintenance or construction, or to address an emergency.
 - 4) Blocking the flow of water or construction improvements in drainage areas, and filling or obstruction thereof is prohibited.
 - 5) The existing creeks or drainage channels traversing the subdivision will remain as open channels and will be maintained by the individual owners of the tract or tracts that are traversed by or adjacent to the drainage courses along or off said tract or tracts.
 - 6) The County shall not be responsible for the maintenance and operation of said drainage courses for the control of flooding or erosion.
 - 7) The County shall not be responsible for any damage, personal injury or loss of life or property occasioned by flooding or flood conditions.

- SEWAGE AND WASTE FACILITIES:**
- All sewage and waste facilities existing or to be installed or constructed within the subdivision shall conform with all applicable laws, regulations, court opinions and decrees as presently exist or as may hereafter be adopted. Prior to the installation of any septic system a permit must be obtained from the County.

FLOOD PLAIN INFORMATION:

The Federal Emergency Management Agency has not created Flood Insurance Rate Maps for this area. Areas shown as drainage or easements on this plot may be subject to flooding.

NO HUNTING FROM ROADS:

Hunting of all kinds for all game or other animals, whether on foot or by vehicle, is prohibited on or from the roads shown on this plot and this prohibition may be enforced by the County or other competent jurisdiction. HUNTING FROM PUBLIC ROADS MAY BE A CRIMINAL OFFENSE.

WATER NOT PROVIDED TO TRACTS:

NOTICE: Water will not be provided to Tracts in Subdivision. Neither the owner, developer, nor subdivision intends to provide a supply of running water to the tracts or lots, or the owners of the tracts or lots in this subdivision. A supply of running water is the responsibility of the individual owners of the tracts or lots in this subdivision. The location does not affect the water rights pertaining to the individual tracts or lots within this subdivision, nor does it modify or otherwise affect existing water supply facilities, e.g. windmill, water tanks, water troughs, water pipelines, or the rights corresponding thereto. Neither the owner, developer, nor subdivision, nor the County, warrants the availability, depth, or amount of subsurface water on individual tracts within this subdivision. Water wells drilled in Cave Wells Ranch, Phase 2 must comply with all Menard County Underground Water District rules and regulations.
